

Wembley Centre for Health

The main entrance is located by the car park, go through the automatic double doors and follow the corridor down to the Reception. An 'eye screening' sign should be displayed to the left hand side from the reception. Please follow the signs and walk down the corridor to the waiting area, take a seat and the Screener will call you when ready. Please be aware you can be booked with the ambulance service. There is a disabled toilet in the main waiting area.
